

13/08/2020

**Ossia CMS Standard v2.1.1.xxx release info**

- 1) New GUI design.
- 2) DDA analytics support.
- 3) Supports P2P connections to recorders & cameras.  
\* we advise to use P2P only if there is no option for port forwarding / or Auto report methods.

**Known problem in this version:**

- 1) Counting people module not working correctly, it'll be solve in the next Ossia CMS v2.1.2.xxx

Best regards,  
Provision-ISR Support team
